Dr. William Goldie,
80 College Street,
Toronto.

Dear Dr. Goldie:

In the absence of President Falconer in
Halifax I beg to acknowledge the receipt of your letter
addressed to the Committee on Medical research . This
will receive the President's consideration on his return
next week.

Yours very truly,

President's Secretary.

November 23rd, 1915.

Dr. Goldie,

College Street, Toronto.

My dear Dr. Goldie:

I regret very much that owing to some misunderstanding on the part of the sub-committee a report was sent to the Bursar that you had resigned your position from the Medical Research Fund. When the Bursar showed me the letter I informed him at once that it was a mistake, that you were still on the Medical Research Fund, but that with great generosity you had offered the fund to act without salary in order that some one else might be appointed to do work under you. I hope that you will accept this explanation.

With kind regards, I am,

Yours sincerely,

President.
